Scientific Evaluation Coastal Research and Climate Services

To use the WiFi:

1. enable WiFi access on your device and select the **HZGnet-Guest** network.

2. Please enter the password **Winter2011.**

This will automatically open the landing page "Login". Once you are on the landing page:

3. please enter the username **Evaluation** and the password **Evaluation.**

Helmholtz-Zentrum Geesthacht Centrum for Materials and Coastal Research GmbH (HZG) Disclaimer

1. Scope
These regulations apply to the guest network at the HZG. It shall allow guests and external scientists to access the Internet through their own private computers. The guest network is deployed in front of the firewall of the HZG.

2. Access Authorization
Access to the guest network is not a claimable service of the central IT at HZG. Access to the guest network is based on user credentials, which will be assigned to each individual user through the central IT department. The login credentials must not be given to any other person.

3. Obligations of Users
By using the Internet access, IP addresses from the address range of HZG are assigned. The user is obliged not to violate the interests of HZG. In particular, actions that could harm or damage HZG's reputation are forbidden. Furthermore, it is forbidden for the user to offer services that are accessible from the Internet.

4. Liability of Users
The user is liable for all losses and damages suffered by the HZG through improper or illegal use of Internet access or due to culpably violation of the user's responsibilities under this Agreement.

5. Liability of HZG
HZG does not guarantee that access and use of the Internet perform flawlessly continuously, without any interruption. Any loss of data due to technical faults and access of confidential information through unauthorized access by third parties can not be excluded. HZG is not liable for - either direct or indirect - damages incurred in connection with the use of the Internet, unless it is required by law.
